This annual Flea Market and Crafts Sale was hosted for many years by the Warner Woman's Club. The **Pillsbury Free Library of Warner, NH** took on the event in 2015. We advertise this event in area newspapers, Facebook and some statewide media. Flyers and posters will also be distributed.

For reservations, please return the application at the bottom of this page with your check made payable to the "**Pillsbury Free Library**" to:

Pillsbury Free Library
P.O. Box 299, Warner, NH 03278

It is not possible to guarantee all requests for table location. However, we will make every effort to do so when possible. Tables will be assigned based on order of receipt of your reservation. If you require more information please call Nancy Ladd at **456-2289** or email **pfl@tds.net**.

Volunteers MAY be available to help with loading and unloading. Please indicate if you will need help. After unloading, please park your vehicle at the Simonds School parking lot above the Town Hall or other location away from the Main Street, so customers will be able to park nearby.

Please remember that it is important to remain set up **until 2 pm**. Many customers come after lunch, and we don't want to disappoint them or they may not return next year.

Our SNACK BAR in the lower level will be **selling** hot drinks, water, cookies and muffins.
